## Celebrating the season in San Diego

It's the most wonderful time of the year, and all the magic and treasures of the season from twinkling lights to nutmeg-sprinkled eggnog can be found right here in our own backyard.

OPPOSITE TOP: The historic 1887 Britt Scripps Inn, for 40 years the home of newspaper magnate E.W. Scripps, is illuminated with 130,000 white lights. The building was designated a historic site in 1971. OPPOSITE BOTTOM: The inn's patio garden. THIS PAGE: A circa 1883 85-key Steinway Art Case piano embellishes the inn's vestibule. The two-story stained-glass window is original to the house.
